Jester Consulting is a part of the Jester Group of companies providing specification writing and consulting services for commercial, industrial and architectural doors, frames, finish hardware, electronic security and access control hardware.

Since the early 1970's the Jester group of companies has been providing leading Mid-Atlantic Area Architectural Firms and Property Development Firms with Division Eight (8) Specifications. The range of projects we specify includes;

- K thru 12
- Government
- Design Build
- Historical
- Museum
- Higher Education
- Industrial
- Retail
- Hospitality/Condominium
- Multi-Family
- Health Care
- Pharmaceutical
- Senior Housing
- Corrections
- Campus Housing

Our Specification Sections include:

- FRP and Aluminum Doors and Frames
- Hollow Metal and Stainless Steel Doors and Frames
- Flush Wood, Stile & Rail and MDF Doors
- Finish Hardware
- Electronic Security & Access Control Hardware
- Specialty / Custom Openings

Jester Consulting works with building owners, Facility Directors and End Users to help establish door opening standards to meet each buildings function and security requirements.

Additional services include:

- Complete Door Entrance Budgets
- Continuing Education Courses includes AIA/CES programs.
- Field Survey of Existing Openings
- Coordinating Door Security & Access Control Requirements
- Field inspection and Reports for installed Finish Hardware
- Shop Drawing Review of Finish Hardware Schedules
- Job site Coordinating Meetings
